MEMORANDUM FOR: [Redacted]

25X1

SUBJECT : Distribution of Mobility Plan and Supply
Procedure Document

I note from the recent cable exchange that the mobility plan is being duplicated about now by [Redacted], although the final lists which will be a part of it can not be completed until approximately 15 April. I am also aware that the supply procedure for the ZI has been duplicated and published for some time. Would you make absolutely certain that copies of both of these documents have been or are distributed to suppliers.
